

2009-10 Annual Report

Principal's Report

—Allan Dueck

Highlights of 2009-10 include exciting new academic programs, new avenues for students to develop their gifts, and growing diversity.

Academic program innovation:

After several years of intensive planning, Bethany last year implemented various innovations in the academic program—integrating technology into the curriculum at all grade levels, increasing choice and quality of music opportunities, piloting the new mentoring program that sees each student meet regularly with a mentor teacher, and strengthening experiential education.

During J-Term, middle school students spent mornings in one class and afternoons in another—hands-on classes such as experiencing pioneer life, rehearsing a play, and designing lego projects on computer. Students in grades 9-11 spent one week in the classroom exploring subjects such as forensic science, New Testament, and bicycle maintenance and cross-country touring, and the second week traveling—for example, curling and skiing in northern Michigan, experiencing Brazilian culture in Chicago, and exploring civil rights in Mississippi. Such hands-on learning engages students as well as providing academic credit.

New avenues for developing students' gifts:

The heart of a Bethany education is students' opportunity to explore and develop God-given gifts. In the new Speech and Debate Club, students gained confidence in public speaking and cultivated valuable life skills. The new musical theater group, *Emmaus*, integrated music, drama, and dance into an engaging learning experience for children on the theme of God's care for us during difficult times.

Growing diversity:

Bethany's diversity rose to a historic high, with nearly one-quarter of the students now being non-Caucasian. Increased diversity is due in part to a

growing international presence, especially students from Anabaptist-network connections in Korea. Several students from Colegio Concordia and Colegio Alberto Schweitzer, Mennonite schools in Asunción, Paraguay, also attended Bethany for part of the year—an outgrowth of Bethany's biennial summer language and culture trips to Paraguay. Growing diversity enriches our school community and fosters friendship with others in the global Christian family.

A Word from the Board Chair

—Jaime Alvarez

From the board's perspective, I'd like to highlight three important achievements from the 2009-10 school year.

- The principal and Administrative Team, with support from consultant Dick Eastop, led the faculty and board in developing a comprehensive new student recruitment plan. With the pool of eligible students in Mennonite congregations declining, the new plan emphasizes a broad network of relationships to recruit students. It also features new financial incentives designed to keep Bethany affordable.

- Along with others in our community, Bethany also faced adversity last year. With the economy continuing to struggle, we granted a record amount of tuition assistance, reduced staffing, and froze salaries and benefits to stretch available funds. Additionally, an ad hoc Vehicle Committee came up with recommendations for improving fleet efficiencies, and the Investment Review Committee searched for ways to improve the performance of our endowment.

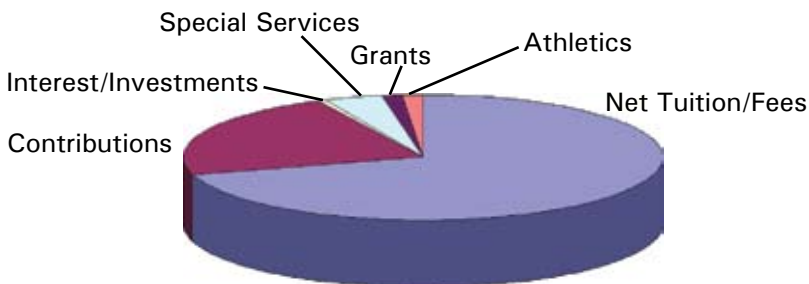

- As part of the board's commitment to excellence, we commissioned the Governance Committee to develop an entirely new Board Policy Handbook—to translate into policy the board's new focus on three areas of work: strategic, fiduciary, and generative.

I conclude with heartfelt thanks to you for supporting Bethany as we continue to integrate faith and academic excellence to equip students for Christian discipleship in the church and around the world.

2009 - 10 Fiscal Year Contributors

The persons listed in this report have contributed to Bethany from July 1, 2009, to June 30, 2010. If you contributed during this time and your name is not listed or is listed incorrectly, please accept our apologies and notify advancement director Scott Richer. Bethany faculty, staff, and students appreciate the generous support of the following family, friends, alumni, businesses, and congregations for helping make it possible for students to acquire a Christian education at Bethany. An asterisk (*) notes donors giving \$1,000 or more.

Gifts Development

Bethany nurtures the academic, artistic, physical, social, and spiritual gifts of students. Introduced in 2009-10 were individualized mentoring—each student paired with a teacher—and senior job shadowing. Pictured, Marissa Weldy ('10) explored nursing during her chosen job shadowing at Goshen General Hospital.

Our Mission

Bethany Christian Schools is a dynamic learning community that integrates faith development with academic excellence. Grounded in Mennonite values, Bethany equips students for Christian discipleship in the church and around the world.

Thanks to family, friends, alumni, businesses, and congregations listed in this report for your generous support in helping make it possible for students to acquire a Christian education at Bethany. This support covers the difference between tuition and the cost of education.
